

Please create your design in the blank space within the dotted lines of the mobile classroom:

Student Name _____ Class _____

School Name _____

Life Education Activity Programme (LEAP)

MOBILE CLASSROOM DESIGN COMPETITION 2025/26

CLOSING DATE
8 January
2026

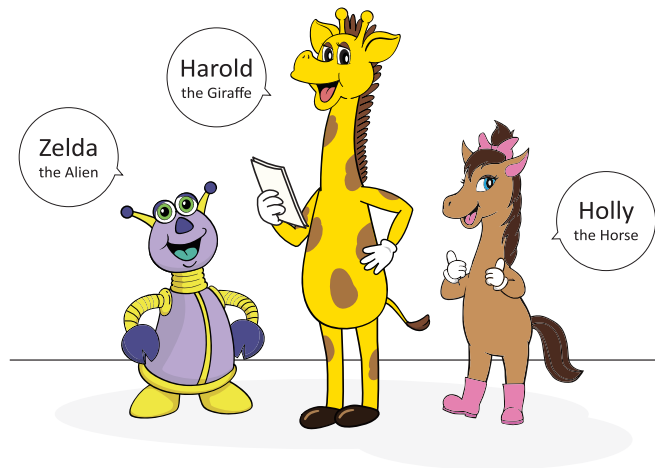

OBJECTIVES

- Enhance students' awareness of Health and Wellness
- Encourage students to express their creativity by giving our mobile classroom a lively, vibrant makeover
- Promote health and wellness, preventive education

DETAILS

Design Requirements

- The theme should centre on "Health and Wellness" with bright, dynamic colours recommended
- Must include LEAP's mascot "Harold the Giraffe"
- Optional: Include Harold's best friends "Holly the Horse" and "Zelda the Alien"
- Characters should embody qualities of confidence, cheerfulness, and optimism

Categories

Primary School

Secondary School

Assessment Criteria

Our judging will be based on three key aspects:

Design Theme	Overall Aesthetic Presentation	Creativity
50%	30%	20%

Design Specifications and Requirements

- Please create your designs using LEAP's official "mobile classroom template"
- Your artwork should be developed in the designated area on the back of this form.
- All submissions must be hand-drawn only. Please use high-quality materials to ensure clarity and durability.
- Since winning designs may be applied to the mobile classroom vehicle after some adjustments, solid colours are recommended for better visibility.
- All designs must avoid any sexual or violent content.
- Each participant can submit only one entry.

Closing Date

8 January 2026 (Thursday)

Result Announcement Day

16 January 2026 (Friday)

Awards

Both the Primary School and Secondary School categories will feature three award levels: Champion, First Runner-up, and Second Runner-up. Winners will receive prize packages including Harold commemorative merchandise, stationery items and certificates of achievement.

Since its inception in 1994, **LEAP** has passionately worked to provide a systematic, interactive health-based preventive education programme that resonates with students' daily lives. Our unique mobile classrooms travel across every corner of Hong Kong, bringing an engaging and accessible curriculum right to schools in every district. We are proud to have impacted the lives of over 2.3 million students in the past 30 years, fostering a brighter future for all.
